SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 908 for the month of June. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Eighteen counties currently operate JOBS (the three ASSETS counties operate a version of JOBS) and the federal law requires that the program be state-wide by October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. Child care and other supportive services are guaranteed for participants in the program. The JOBS program represents a significant shift toward an emphasis on client self-sufficiency.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 900 for the month of July. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Eighteen counties currently operate JOBS (the three ASSETS counties operate a version of JOBS) and the federal law requires that the program be state-wide by October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. Child care and other supportive services are guaranteed for participants in the program. The JOBS program represents a significant shift toward an emphasis on client self-sufficiency.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 892 for the month of August. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Eighteen counties currently operate JOBS (the three ASSETS counties operate a version of JOBS) and the federal law requires that the program be state-wide by October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. Child care and other supportive services are guaranteed for participants in the program. The JOBS program represents a significant shift toward an emphasis on client self-sufficiency.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 874 for the month of September. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 97 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,510 for the month of September. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Eighteen counties currently operate JOBS (the three ASSETS counties operate a version of JOBS) and the federal law requires that the program be state-wide by October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. Child care and other supportive services are guaranteed for participants in the program. The JOBS program represents a significant shift toward an emphasis on client self-sufficiency.

The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. 1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 593 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Eighteen counties currently operate JOBS (the three ASSETS counties operate a version of JOBS) and the federal law requires that the program be state-wide by October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. Child care and other supportive services are guaranteed for participants in the program. The JOBS program represents a significant shift toward an emphasis on client self-sufficiency.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 836 for the month of November. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Eighteen counties currently operate JOBS (the three ASSETS counties operate a version of JOBS) and the federal law requires that the program be state-wide by October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. Child care and other supportive services are guaranteed for participants in the program. The JOBS program represents a significant shift toward an emphasis on client self-sufficiency.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 826 for the month of December. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Eighteen counties currently operate JOBS (the three ASSETS counties operate a version of JOBS) and the federal law requires that the program be state-wide by October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. Child care and other supportive services are guaranteed for participants in the program. The JOBS program represents a significant shift toward an emphasis on client self-sufficiency.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 798 for the month of January. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Eighteen counties currently operate JOBS (the three ASSETS counties operate a version of JOBS) and the federal law requires that the program be state-wide by October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. Child care and other supportive services are guaranteed for participants in the program. The JOBS program represents a significant shift toward an emphasis on client self-sufficiency.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 769 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 106 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,512 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Each state must operate the program in every county no later than October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. The emphasis of the law is on providing participants the opportunity to develop their basic skills (reading, writing, math), job skills, and/or work experience that will prepare them for employment. Child care and other supportive services are guaranteed for participants. Alabama began JOBS on April 1, 1990. The program is implemented in stages and will be statewide by September 30, 1992.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 772 for the month of March. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 112 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 569 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Each state must operate the program in every county no later than October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. The emphasis of the law is on providing participants the opportunity to develop their basic skills (reading, writing, math), job skills, and/or work experience that will prepare them for employment. Child care and other supportive services are guaranteed for participants. Alabama began JOBS on April 1, 1990. The program is implemented in stages and will be statewide by September 30, 1992.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 789 for the month of April. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Each state must operate the program in every county no later than October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. The emphasis of the law is on providing participants the opportunity to develop their basic skills (reading, writing, math), job skills, and/or work experience that will prepare them for employment. Child care and other supportive services are guaranteed for participants. Alabama began JOBS on April 1, 1990. The program is implemented in stages and will be statewide by September 30, 1992.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 773 for the month of May. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Each state must operate the program in every county no later than October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. The emphasis of the law is on providing participants the opportunity to develop their basic skills (reading, writing, math), job skills, and/or work experience that will prepare them for employment. Child care and other supportive services are guaranteed for participants. Alabama began JOBS on April 1, 1990. The program is implemented in stages and will be statewide by September 30, 1992.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 765 for the month of June. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Each state must operate the program in every county no later than October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. The emphasis of the law is on providing participants the opportunity to develop their basic skills (reading, writing, math), job skills, and/or work experience that will prepare them for employment. Child care and other supportive services are guaranteed for participants. Alabama began JOBS on April 1, 1990. The program is implemented in stages and will be statewide by September 30, 1992.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 771 for the month of July. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $199.00; 3-5 years, $211.00; 6-12 years, $222.00; and 13-18 years (19 if last year in high school), $234.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Each state must operate the program in every county no later than October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. The emphasis of the law is on providing participants the opportunity to develop their basic skills (reading, writing, math), job skills, and/or work experience that will prepare them for employment. Child care and other supportive services are guaranteed for participants. Alabama began JOBS on April 1, 1990. The program is implemented in stages and will be statewide by September 30, 1992.
